

Gas Utilities Notice/Instructions

Prior to your structure being fumigated, Leadership Fumigation will be contacting the gas company. The gas company will be on site the morning of your fumigation date to shut off your structure's gas meter between the hours of 7 to 11:30 AM. Please make sure that all gates are unlocked and there are no dogs in the yard.

*If an afternoon shut off is requested, the hours will be between 12 to 8 PM (Mon-Fri),

Fumigations scheduled on Saturday's gas will be shut off on Friday prior in the afternoon. Due to the gas company's work schedule, there are no shut offs on Saturday's.

It is the responsibility of the Homeowner/Occupant/Agent to contact the gas company to restore (turn-on) gas service 48 hours in advance. It is important that the gas restoration be scheduled in the late afternoon on the date of certification (re-entry). The gas company will not restore gas any day prior to the certification day.

The gas company requires that an adult age 18 or older be present on the day of restoration or that key arrangements be made through their office. They must show proof that the structure is safe for re-entry, by providing the gas company representative with the black and white Notice of Re-entry, posted on the front door of your structure by Leadership Fumigation. The Notice of Re-entry will be left on the date the structure is to be certified for re-entry.

In the event of a canceled fumigation by the Homeowner/Occupant/Agent, Leadership Fumigation must be notified immediately to cancel the order with the gas company.

If a canceled fumigation is made by Leadership Fumigation due to the lack of preparation or weather conditions, they will try to do the job the following day. **It is the responsibility of the Homeowner/Occupant/Agent to make date changes for restoration with the gas company.**

In the case of a fumigation being rescheduled for another date by the Homeowner/Occupant/Agent, Leadership Fumigation will notify the gas company of date changes.

Please be aware that is anyone, other than the gas company, turns on or shuts off gas meters to the structure, there may be penalties including fines from \$3,000-\$25,000 and/or legal action.

Gas service orders can be scheduled by calling SoCalGas Company at (800)427-2200.

****PLEASE NOTE** IT IS THE SOLE RESPONSIBILITY OF THE HOMEOWNER OR RESPONSIBLE PARTY TO CONTACT YOUR PROPANE COMPANY TO MAKE ARRANGEMENTS TO TURN ON/OFF YOUR PROPANE TANK. IF YOUR PROPANE TANK IS NOT TURNED OFF THE MORNING OF SCHEDULED FUMIGATION DATE, THE FUMIGATION WILL BE CANCELLED AND A CHARGE OF \$300 WILL BE BILLED.**

I/We Homeowner/Occupant/Agent grant permission for Leadership Fumigation, Inc. to contact the gas company to turn-off gas meter to me structure prior to fumigation.

I/We Homeowner/Occupant/Agent will contact the gas company to restore gas service to the structure after fumigation is completed and am aware that the gas company will need 48-hour notice.
